- The OMS 4 year for the Class of 2025 consists of: 4 weeks of Professional Development, 1 four-week rotation in Emergency Medicine, 1 four-week Medical Selective, 1 four-week Surgical Selective, 1 four-week Intensive Medical Selective, 1 four-week Medical or Surgical Selective, and 5 four-week Electives. Students may complete one selective upon AD approval outside of the core site. One elective may be used as a research month to complete an approved CDC, NIH, federally sponsored, or faculty mentored research project. Start and end dates of OMS 4-year rotations are flexible to allow for scheduling with residency sites, which do not always align to VCOM's schedule; however, students may not start the OMS 4 year until July 1, 2024. The AD and Director for OMS 4 Rotations will work closely with each student to develop their 4th year schedule and assure all required rotations are completed.
